Project Title: Marana High School East Parking lot repaving and stripping.

Project Detail: The student parking lot at Marana High School East requires repaving and restriping. This project includes designated bus and fire lanes from the parking area for both ingress and egress. The central section of the parking lot is classified as District costs, as indicated in the attached map. Both sections need milling and repaving due to the asphalt reaching the end of its service life. Although the asphalt has been maintained over the past 20 years, it is now beyond the point of feasible repair. If the schedule allows, MUSD aims to initiate this project within the 2025/2026 budget year. This project encompasses replacing and re-striping existing elements in their original form, with no modifications, additions, or deletions.

MVHS Bid is attached accidentally and can be removed

Project Date Range: 7/28/2025 **TO** 1/5/2025

Total Project Cost: \$499,965.88 **Adjacent Ways Cost:** \$105,056.07

Board Meeting Date:

Validation Status: Review Pending

Staff Analysis: 8/12/25: Please provide an aerial view of the school with a color overlay indicating the area of work covered with district cost and the area of work covered by Adjacent Ways. KC
