Validation Status: Review Pending		
Staff Analysis:	9/30/25 I will need to have the seal coating that is on the parking taken out and on the district side and the south page 2, which would not be considered the AJW fire lane or bus lane. I will need to have the map, SOV, and proposal adjusted. SV 9/19/25 Please have your vendor revise both the scope of work and the quote to reflect the changes outlined in the email that your Liaison sent for clarification, and resubmit.TWA
