Project Title: Copper Basin Traffic Control Signals		
Project Detail:	<div>The District is requesting Adjacent Ways funding for the installation of flashing speed limit signs within the designated school zone adjacent to Copper Basin Elementary School. This request is based on the need to mitigate traffic hazards and improve pedestrian safety in the immediate vicinity of the school campus.</div> <div>Existing static school zone signage is insufficient to ensure consistent driver compliance with reduced speed limits during peak student arrival and dismissal times. Motorists frequently fail to adjust speeds appropriately, creating a significant safety risk for students, parents, and staff who utilize crosswalks, pick-up/drop-off areas, and bus loading zones.</div>	
Project Date Range:	10/17/2025	TO 12/31/2025
Total Project Cost:	\$94,777.26	Adjacent Ways Cost: \$94,777.26
