¹ To determine whether a substantial interest exists, a public officer should ask:

1. Could the decision affect, either positively or negatively, an interest of the officer or employee or the officer's or employee's relative?
2. Is the interest a pecuniary interest or proprietary interest? Could it affect a financial interest or ownership interest?
3. Is the interest something that is not statutorily designated as a remote interest? See A.R.S. § 38-502(10) for a list of interests that are considered "remote interests."
