

SRP PowerWise Business Solutions

Through the SRP PowerWise Standard Business Solutions rebate program, SRP is offering rebates for installing high-efficiency lighting, heating, ventilation, and air conditioning (HVAC) equipment, motors, and/or variable frequency drives (VFDs).

You can find information on the SRP Program at:

<http://www.srpnet.com/energy/powerwise/business/standardrebate.aspx>

For questions about the rebate program, contact the program administrator at (602) 236-3054 or email at: powerwisestandardbusinesssolutions@srpnet.com
