**RE:** August 2019 School Facilities Board Meeting Recap

At today's August 2019 Arizona School Facilities Board meeting, the Board approved \$17.7 Million in Building Renewal Grant funding to 51 Arizona K-12 School Districts covering 112 separate projects to correct facilities deficiencies. The majority of awards were for HVAC projects, followed by roofing, and weatherization of surfaces projects.

The Board also approved 3 Adjacent Ways validations performed by SFB staff for 3 school districts.

The Board's actions provide funding needed to ensure Arizona's students have adequate facilities to foster a creative learning environment. The SFB encourages Districts to apply for BRG funding if deficiencies exist. The next Board meeting will be held on September 4, 2019.
