RE: June 2019 School Facilities Board Meeting Recap

At today's June 2019 Arizona School Facilities Board meeting, the Board approved \$17.7 Million in Building Renewal Grant funding to 41 Arizona K-12 School Districts covering 70 separate projects to correct facilities deficiencies. Many of the awards were for roofing, HVAC, plumbing, and weatherization of surfaces projects.

The Board also approved 6 Adjacent Ways validations performed by SFB staff for 5 school districts.

The Board's actions provide funding needed to ensure Arizona's students have adequate facilities to foster a creative learning environment. Districts are encouraged to apply for BRG funding if deficiencies exist. The next Board meeting will be held on June 26th (for July).
