RE: New District Emergency Response Plan Now Available

The Arizona School Facilities Board has just established communications guidelines school districts may use in the event of an emergency at a school. The District Emergency Response Plan outlines SFB communications services and crisis management support available to districts upon request.

It's available for viewing now on the SFB website under the MEDIA menu.

About the Arizona School Facilities Board

Created in 1998, the Arizona School Facilities Board (AZSFB) is a cabinet-level, state-government agency managing \$289 Million in state funding appropriated for K-12 school district facilities. The 10-member board meets monthly to grant funding for new school construction and to renew existing school facilities. AZSFB staff is a partner and advocate for school districts in facilitating successful grant requests.
