Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

The shingle roofing on all buildings and campus has failed on multiple locations resulting in roof leaks and water infiltration, we don't have water tight seal on the building exterior. Settlement cracks have occurred on the west wall of the gymnasium 1000 building and the west and south wall on the 400 building.

Project Category: Surfaces

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N
